Re: "On-call" Employees

After receiving your May 2, 2008 letter to me, informing me that you were reclassifying your "on-call" employees from full time to part time status, I responded in writing to you in my letter dated May 2, 2008, thanking you for your cooperation and acknowledging your action in that regard.

After I sent you my letter, personnel action request forms you had submitted were brought to my attention later in the day in House Personnel regarding your employees, Sheffield, Soucier, Lee and Wise. On the forms for each employee, the box for part time designation was checked, "on call" was written in the blank, but no hours were entered in the blank where the number of hours per week is supposed to go.

House Personnel has received your forms and will process them. However, there is no precedence for designating an employee simply as "on call" that I am aware of, so I am unable to give you advice on how you account for your staff's time where they are solely an "on call" employee.

Your courtesy is appreciated and again acknowledged.

Sincerely,
